Kia ora koutou,

Welcome to Week 1 on The Terrace. Here we are in the first week of the last term of 2018. I can't believe it! Christmas decorations are in shops already. I swear it gets earlier and earlier each year. However, there is a lot to do before the mad season takes over so in the words of Jacinda Ardern, "Let's do this!"

**Diary Events Above**

The diary above indicates that there are quite a few events coming up on the calendar. Please diary these in your own diaries to ensure you don't miss anything coming up. I have tried also to give you times to major events. Please do keep an eye on the calendar though just incase times change.

**Home and School AGM**

The Home and School are holding their AGM on Wednesday 17 October (tonight). The AGM is a time to celebrate all the hard work that they have done to support our children. We are **VERY** lucky at CTS that we have such a proactive group who see the need to support education. The money raised over the last year has gone to a wide variety of things which would have been hard to finance without this funding. These activities, resources and items have all contributed to your children and their learning.

**School Van Purchase**

As I said above, our Home and School does an amazing job. One of their major fundraisers that Home and School has been engaged in is the purchase of a school van. I can now say that all their hard work has come to fruition as we were able to purchase a school van over the holidays. The need for as many families assisting with transport during outdoor education visits will be reduced allowing for more flexibility with these. This really is an amazing asset for us and I know will be well used. Thanks Home and School.

I would also like to thank the following groups who have helped with this purchase;

- Food Stuffs Community Trust (Atawhai Four Square)
- Mike Pero Foundation

**Class Placements for 2019**

At the start of next term, we will begin organising the classes for 2019. Occasionally, there are reasons for certain children not to be placed together i.e. siblings, the need for a male role model etc. This is not an opportunity to request a

teacher and should not be used as such. However, should you have a particular request, please put your thoughts in writing and send them to me by **Friday 19 October** and these will be taken into consideration when completing class organisation. Thanks.

### Speeches

Last term, Joelle and Heidi competed in the Interschool Speech Competition at St. Joseph's School. Our girls spoke very well and I'm immensely proud of them being such wonderful orators. Well done girls.

I would also like to acknowledge the senior syndicate children for presenting their speeches to classmates toward the end of Term 3. It is a great skill to have and one that I wish I had spent more time on as a youngster!

### Primary Academic Quiz

The Clifton Terrace team (Da Boyz Space Explorers Finn Bryant, Shoei Ito, Dallas Kelso and Corey Tremblay) came 2nd overall in the Primary Academic Quiz tonight at Waimea College at the end of Term 3. It was a very close competition with only 1 point separating them from the winners. The topics included newly discovered ocean species, the golden ratio and Fibonacci numbers, and diseases spread by explorers. Those are some pretty tough questions!!

Finn also took away a prize for his fantastic costume! Well done boys!

### Congratulations Yuto and Fletcher

During the holidays, Yuto and Fletcher played in the Jack McKnight Football tournament played at Saxton Field. The boys played wonderfully. The semi final came down to a penalty shootout which the boys won taking them into the final. The final was dominated by the Nelson team with the end score being 3 – 1 to the boys' team. Well done kids!

### Pool Keys for 2018/19

The pool will open for the swimming season on **Monday 5 November**. We are hiring out keys again to the school community. These are \$70 and can be purchased from the office. The swimming season will go from November to approximately end of March. There will be some specific times when the pool is unavailable due to lessons with Pattison's Swim School taking place.

To get a pool key, people must go through a very brief session regarding water testing unless they have done this previously. The training days are as follows;

- Wednesday 24 October at 8.45am and 3.10pm
- Monday 29 October at 8.45am and 3.10pm.

Please meet at the pool at these times. This is very simple but must be done in order to get a key.
