Kia ora koutou,

Welcome to Week 2 on The Terrace. Our first week of the term went by in a flash and here we are already in the middle of week 2!

Chess Power Tournament on The Terrace

On Tuesday, we were lucky enough to host the Chess Power Tournament. 50 players from as far away as Mapua, played a number of chess games throughout the day. The concentration in the hall during games was impressive and I have to say how very impressed I was by the chess skills and thinking of these children. Well done to all involved and a thank you to Wendy Anderson and James Hebberd who run our chess club.

As a result of the hard work of our CTS children we had a lot of success when it came to the podium!

Congratulations to all our chess players who were part of the team. You can all hold your heads high!

It was great seeing lots of red Clifton shirts out in the sunshine at Rabbit Island on Saturday afternoon. Our kids ran really well and all had big smiles on their faces.

Clifton Terrace School is currently in 2nd place between Hampden Street and Henley. Lets make the run this Saturday “Bring a Friend to Branford’ day! The run is just up the Maitai at Branford Park this Saturday – kick off at 3pm.

See you there

Wendy

Kapa Haka Starts With Huge Interest

Our Kapa Haka group has started off with a huge amount of interest. Approximately 60 children have joined up this term which is an amazing number. The work they are doing involves waiata, art, dance and the opportunity to be together expanding their horizons in new ways.

Thanks Ruth McMillan and Amanda Hall who have taken over this role with the group this year.

Ronald McDonald Mufti Day and Sausage Sizzle Fundraiser

For many years we have supported Ronald McDonald House in Christchurch. This amazing facility supports families in need when they are in a situation where a family member is in hospital.

Last year we tried something a little different. As a Community of Learning, all the schools decided that they would like to get together to raise funds to sponsor a room at Ronald McDonald House. This was a huge success and after talking to those at Ronald McDonald House about our contribution and commitment it was a must that we did this again. Therefore, we will have a mufti day and sausage sizzle on **Fri 11 May**.

It will also be mufti day which is a gold coin donation. The theme is to dress in sparkles. So get your sparkly gear on and join the fun.

By now you should have returned your sausage sizzle forms, these are due in to your class by Thursday at the latest. We do have forms in the office if needed or you can email Vick at office@clifftontce.school.nz.

Cross Country Running Second Race This Saturday

The second run for this 4 race series will be this Saturday. These runs are always so much fun and the kids get the opportunity to race against children from all over Nelson on different courses. Why not come and join the fun??

Here are the details for this fun series:

Please note that there are changes to the scoring system and the grades. We are grateful to Phil Costley who has designed a new format and scoring system for the series. We believe that this will make it fairer for all schools and reward the effort of even the youngest runners.

➤ **Nelson Schools Cross Country League 2018:**

- Race 2: Saturday 12th May - Branford Park, 3 pm
- Race 3: Saturday 19th May - Rabbit Island (western end), 3 pm
- Race 4: Saturday 26 May - Tahunanui Beach (next to Roller Skating rink), 3 pm

➤ **Registration:**

- Pre-registration is preferred due to the sheer number of children but children can sign-in on the day from 2 pm.
- Pre-registration is via nelsoncrosscountry@gmail.com

Details needed are: name
 school (or home school)
 school year (NOT age)

- A race number will be sent by return email. The number must be written on the back of the left hand with marker pen so it is visible to recorders at the end of the race. Registration only needs to occur once as each runner uses their unique number for the whole series. Pre-registered runners do not need to sign in on the day.

Runners participate at their own risk.

Voluntary donation of \$1 entry fee per family per race (to assist the inter-regional cross country team with running expenses). To be paid on the day.

Get in Touch. Get Listed. Get Sold

I have great pleasure in announcing the start of my campaign with Clifton Terrace School. Being a school parent and local neighbour, I'm proud to support the school and I will be donating \$750 for sports equipment for every house I sell in Atawhai. The school is always looking to buy new equipment and this is a great opportunity to give back.

CTS Olive Oil Production - Helpers needed!

It's olive time again and we need your help to produce our very own olive oil. It is a great fundraiser for the school, not to mention the satisfaction of having a product made by the whole school.

We have our own olive trees at school and also access to other trees locally. We need your help to pick these olives and also transporting some little hands to help with the picking.

Please sign up for any slot that suits you. Any help will be greatly appreciated.

Community trees picking days are - MONDAY 15th and TUESDAY 16th 9am to 12pm or 1pm to 2.45pm (transport is needed to take 4 or 5 senior students)

Please contact Sonja Walker (sonja@sonja.co.nz), Leonora Soares (leonoras@clifontce.school.nz) or Meghan Jamieson (meghanj@clifontce.school.nz) if you would like further information.
