Dear Parents and Caregivers,

Welcome to Week 4 here on The Terrace. I started to think that we were heading back into winter again in the weekend! Hopefully things are about to improve.

Thanks Room 12 for Hosting Our Assembly On Friday

Room 12 hosted assembly last Friday. They shared their awesome singing performing a variety of songs. They also performed a traditional folk dance. Thanks Room 12.

As I was away, Carol presented the following children with Principal's Awards for their awesome work;

Dylan Trotter: You work well on independent tasks. You are a kind and thoughtful friend and a great helper in Room 1.

Luna White: You always try your personal best whatever the topic. You are such a reliable class member and a great role model for others with your wonderful listening and focus on your work. You are a super star!

Libby Wills: Libby - you bring a sparkle to room 3 with your enthusiasm and exuberant nature. We love you sharing your favourite books with us too!

Mitchell Laird: You have come along in leaps and bounds as the year has gone on. You are putting in a huge effort at school that is not going unnoticed. We are very proud of you, keep up all your hard work.

Hayley Wareing: I have been extremely impressed with how hard you have been working in class this year. You give everything 100% and are a great help to everyone in our class. Keep up the amazing work.

Maya Dalton: Great to see you give all things a go. Your love for reading gives you many opportunities to learn new things which you share with others. You are a thinker who can solve problems in more than one way.

Kei te whakahihi au i a koe!

Micah Mitchell: Good improvement in your story writing and working on your focus. Keep up the good work.

Michael Lee: You are bright and bubbly, enthusiastic and hardworking. In all areas of work you are persevering and focused. You are a loyal and caring friend and we love having you in Room 9.

Hugo Hopkins: Thank you for using your initiative in all areas and taking the lead during class activities.

Kohen Bergman: Kohen, you are increasingly showing people you can be a good friend. You are giving compliments and positive messages to others and getting them in return. Keep making good choices and you will keep experiencing good consequences!

Logan Smith: Working hard to get it right, starting to use my thinking thinking, not giving up even when sinking sinking. Go, go, go I'm going to get to the top; ho, ho, ho with a skip and a hop. Great efforts Logan.

Troy Kelso: It is fabulous to see you giving your best both in work and play. Keep up the great work Room 13 superstar!

Bea Allen: What an outstanding contribution you make to Room 14 Bea. You lead the way with your focus and determination, and have the most caring and compassionate manner with everyone! Stay Amazing!

Lucien Hill: You are making such a good effort to make good choices and persevere with challenges. And what an amazing reader and speller you are! Ka pai.

Congratulations to all the recipients above who continue livin' the vision!

Pool Keys

The pool will open again for the season on **Monday 7 November**. We are hiring out keys again to the school community. These are \$60 and can be purchased from the office. The swimming season will go from November to approximately end of March. There will be some specific times when the pool is unavailable due to lessons with Pattison's Swim School taking place. To get a pool key, people must go through a very brief session regarding water testing unless they have done this previously. The next training day is Monday 7 November at 8.45am and 3.10pm. Please meet at the Office at these times. This is very simple but must be done in order to get a key.

Last chance to add your bit to the CTS ditch improvement project ...

There will be one final working bee to complete the steps, add the lower path bark mulch and finish the planting.

The date to put on your calendar is

SATURDAY NOV 5th from 2pm to 4:30.

Bring your muscles, trowels, and your kids to join in this fun afternoon. (Sunday is the wet day alternative option)

Once Upon a Time ...

A number of CTS kids after much practice and rehearsal took part in the AStar Academy of The Arts show 'Once Upon a Time' at the Theatre Royal on Saturday. Here is a snap of the Three Little Pigs cast, Caleb, Amber, Charlotte, Kate and Caitlin. A special mention also for Urvashi and Shreeya Das who took part in many dance, singing and acting numbers.

James Hebberd Expands His Horizons in the Auckland Marathon

James excelled in the weekend, heading to Auckland and running the Auckland Marathon. He ran a 4 minute personal best. I am extremely proud of James for his perseverance. 42 km on his feet shows he is a man who never gives up. Well done James.

Thanks Hamish and Tom

You may have noticed the work that Hamish and Tom have done down the driveway. A new fence has been erected and looks great. Thanks guys!

Athletics Day

Athletics day is coming up on the 24th of Nov for the Middle and Senior Syndicates.

We need people on the day to help run the events. No experience needed. You will be guided through what you need to do.

I will be going through the activities at 1:30 this Friday - come and have some fun.

Thanks
